# 1002Give100 Intro

Dear Friend,

**1002Give100** is the ministry's campaign to find 100 people who will personally give or help us raise \$100/mo. in monthly giving. For example, this may be accomplished when...

- ...you commit to give \$100/mo.
- ...you commit to give \$25/mo. and help us find 3 others who will do the same.
- ...you commit to give \$10/mo. and help us find 9 others who will do the same.
- But, what if you're unable to give? You'll commit to raising \$100 in monthly support for the ministry.

Think about all of the people you know! Friends, family, fellow church members, civic or social organizations, business associates. On its own, it could take years for Hope Prison Ministries to raise the funding it needs to sustain and grow the work to which God has called us. We need your help. We need your commitment to help us raise the necessary funding so that we can launch the curriculum in the prisons and continue to help those we meet in aftercare

In Christ Alone,

Chandler Fozard
