What Does Hope Prison Ministries Do?

In Prisons, HPM...

- ...leads Christ-centered worship services; providing a mix of new and old “songs, hymns and spiritual songs” during worship and in-depth instruction through its Biblical teaching
- ...connects with and mentors countless men through regular correspondence;
- ...provides books to men progressing into deeper study, targeted reading addressing the patterns of sin that led the men to prison in the first place, and requiring summaries of each chapter from the men;

Aftercare – After a man is released, our services (or services through our network) include...

- ...housing in co-op with other ministries;
- ...assisting them with obtaining state identification;
- ...educational and vocational training;
- ...job placement assistance;
- ...transportation assistance—to and from state offices for identification, parole/probation meetings, counseling, required classes, grocery stores, medical needs, etc.;
- ...continued mentoring/counseling in person and through video-based curriculum (Paul Tripp, etc.)

Connects With & Equips the Local Church...

- HPM connects ex-offenders with local churches—we will drive to where they are and walk them in the doors of whatever church we have arranged to receive them; HPM then provides a letter of introduction providing some history and knowledge of the individual for whom they are seeking a church home;
- HPM also equips the church for effective prison ministry by developing curriculum for use in prisons—for additional information about the curriculum we are developing, please visit www.FaithBasedDorms.com, and be sure to watch the 7-minute overview video!

What is iLiveOPEN?

It is a call to all, young and old, to LiveOPEN, transparent, accountable lives before God and their loved ones. As evidence of our commitment to this, we commit to do the following (www.iLiveOPEN.org):

1. **Give Our Secrets Away.** We make a decision to stop the hiding and lying. We come clean, confess, first to God, and then to another (next step), about our deepest, darkest sins. We repent and place our faith and trust in Jesus Christ.
2. **Tell One Person Everything.** We commit to tell one person...everything. We choose to give one person a regular look behind the veil...let them see our email, facebook, Instagram, bank accounts, etc. All with the purpose of being accountable to God for how we use the technology He's given.
3. **XXXtreme Mentoring.** In iLiveOPEN events, we meet with our mentor for regular accountability and renewing our mind through the Word of God—learning what God's Word has to say about sex, money, etc.

We buy and wear the iLiveOPEN wristband as a reminder that we belong to God, and to support His work through iLiveOPEN.
